ILPI INVITE ATTENTION to some of the most er PECTORAL SYRUP

DR. REYARE IS PREPARED AT ANY TIME TO EXAMINE LUNGS WITHOUT CHARGE, FOR ALL THOSE WHO NEED HIS MEDICANES.

Du. Kersen:—My wife has been afflicted with a bad cough and difficulty of breathing, for fave or air years, which, for several years back, had gradually increated in violence. The complaint has been hereditary, and the had been treated by several physicians without any relief. In this state of her case, I procured some of your Pectoral Cough Syrup. I bought, the first time, a fifty cent bottle, which relieved her very much; I then called and got a dellar bottle, which cured her entirely, and she has now no trace of the former disease, except weakness. I would also state that I med the medicine myself to a cold and cough. The medicine cured me by taking one dose I express my entire satisfaction with the medicine, and you are at liberty to publish this if you desire to do so.

READ THE TRUTH.—DR. Exvent: I have a daughter who has taken several medicines for a bad cough without bonefit—among them ayer's Oherry Pectoral-I purchased from you a battle of your PROTOSAI SYRUP, and before she had used half a bottle she was relieved. The second bottle cured her entirely of he cough.

Reblieved attention of the cough.

A GREAT CURE BY DR. KEYSER'S PROTORAL SYRUP.—I live in Peebles township, Allegheny county. I had a congluing and sputting, which commensed acout the 4th of February last, and continued eight months. I employed the best physicians in the country, and my court continued unabated until early in October. A court continued unabated until early in October. A COUGH boung sentiment manufactured units religious control that time; I was advised to try your PROTORAL COUGH BYRUP, which I did, and after I had taken one hottle I was entirely free from the coughing and spirting. I had desputed of ever getting well, and I think it should be known that this valuable remedy will do for others what it has done in my case.

A WONDERFUL CURB.—Some time ago, an ol neighbor of mine was very ill, with a bad cough whice every one supposed to be consumption. His relative told me that he had taken every remedy they heard of without benefit; his brother came to see him die, and all were confirmed in the belief that he could not live. And about the third of a bottle of your Fectoral Syrup which I gave him, and it entirely cured him, to the nator is the extreme age of the man, he being about eighty year old. I have no doubt the Fectoral saved his life.

ANOTHER NEW CERTIFICATE—DR. KEYSER'S PEOTORAL SYEUP —I had been troubled with a cough and cold by several weeks—so had was it that I could not aleay. I had the advice and prescriptions from three of the best physicians in the city, whom a could mann, but do not do so. I finally preserved a bottle of your Pectoral Syrup, which cured me entirely. Prov. Wood: Thee wilt please accept a line to inform thee that the hair on my head all fell off over twenty years ago, caused by a complicated chroic disease, at tended with an eruption on the head. A continual course of suffering through life having reduced me to a state of dependence, I have not been able to obtain stuff for eaps. Beither have I been able to de them up, in consequence of which my bead has suffered extremely from cold. This induced me to pay frigge & Hodges almost the last cent I had on earth for a two dollar bottle of thy Hair Restorative, about the first of August last. I have faithfully followed the directions, and the haid spot is now covered with hair thick and black, though short, it is also coming in all over my head. Feeling confident that mother large bottle welld restor it entirely and permanently. I feel anxious to persovere in its ess, and being destitute of means to purchase any more, I would ask thee if thee wealfst not be willing to send me an order on thine agents for a bottle, and receive to thyself the scripture declaration—"the reward is to those that are kind to the wilds not be villing to send me an order on thine agents for a bottle, and receive to thyself the scripture declaration—"the reward is to those that are kind to the wilds in the short part of my hard, Indiana, Feb. 5th, IRSP Prov. I at come made application to the most skillful physi-cians in the country, but, receiving no assurance from them that my hair would again be restored. I was forced to become reconciled to my fate, until, fortunately, in the latter part of the year 1857, your Restorative was re-commended to me by a druggiet, as being the most relia-ble Hair Restorative in use. I tried one bottle, and found to my great satisfaction that it was producing the desired effect. Since that time, I have used seven dol-lars worth of your Restorative, and as a result, have a rich coat of very soft black hair, which no money can bey.
